Dear Angela,

On behalf of Genworth Financial Canada, I am pleased to congratulate you on being recognized as one of *CMP's Top 50 Brokers*.

The role of the mortgage professional has become increasingly important in Canada over the past few years. For many Canadian consumers, making the decision to buy a home is one of the most important decisions of their lives. Mortgage professionals help facilitate that journey for many through the delivery of quality advice, education, and mortgage options.

As a result of your hard work and dedication to the industry, this achievement also provides you with the exclusive opportunity to market yourself as one of the best in Canada to both existing clients and future prospects. The *CMP Top 50 Brokers* helps raise the bar for all mortgage professionals, and increase the profile of mortgage brokers with more Canadians.

Genworth Financial Canada is proud to support all mortgage professionals in Canada, and we consider ourselves to be a valued partner in your business. We are committed to helping you achieve continued success by providing you with services and options that assist your customers in making responsible homeownership decisions.

Congratulations on being part of this year's *CMP Top 50 Brokers* in Canada.

Sincerely,

Peter M. Vukanovich
